

NDP UPDATE JULY 2022

Thank you to all those who responded to the recent consultation on the Draft Vision, Objectives and Key Themes for our neighbourhood plan. The consultation responses can be seen here <https://dormingtonmordifordgroup-pc.gov.uk/ndp-vision-statement-and-call-for-sites/> and we have used them to inform our next steps in preparing the plan.

Considerable progress has been made already within a very short space of time and since the Vision consultation we have:

- Published a Call for Sites and appointed AECOM through the Locality Technical Support Programme to undertake a technical site assessment of all the submitted sites so that we can consult on any site considered to be suitable for new housing development. The submitted sites can be viewed here <https://dormingtonmordifordgroup-pc.gov.uk/ndp-call-for-sites/>
- Applied for Technical Support from Locality to commission design codes for the Parish. These will be used to inform planning policies on design in the Plan.
- Started work on a first Draft of the NDP. The Steering Group will be working on this document over the summer and we hope to have a first draft ready for consultation by the Autumn.

Next Steps:

We are planning to have a further public consultation in the Autumn. This will focus on:

- Potential sites for housing in the Parish
- Draft Planning policies
- Design Codes
- We are also considering undertaking a Parish Housing Needs Survey to understand better local people's housing needs.

Thank you for all your continued interest and support in the NDP. We would love to hear from you if you would like to be more involved in planning the future of our beautiful parish – please get in touch with the Clerk on clerk@dormingtonmordifordgroup-pc.gov.uk if you would like to join our friendly NDP Steering Group or have special knowledge or expertise in something you would like to share.
